*Students attending International & National Orientation will stay in the on-campus residence halls. If the student has a completed Student Housing contract, then every effort will be made to assign the student to their academic year housing assignment. Students attending Orientation will receive their Orientation housing assignment upon check-in. Students checking in for International & National Orientation with academic year housing contracts will be able to remain in the residence halls until their contract begins on Friday, September 20th.

### BILLING & PAYMENT

Once you register for Orientation, you are responsible for payment. The cost of Orientation plus any additional charges (i.e. reservation modification fees and lost key fees) will be billed directly to the student’s university account. No payment is necessary at the time of reservation. The billing statement will reflect the cost of registration and/or attendance for the student and any Family Program participant(s) that are registered and/or attend the program (billing per Reservation Modification & Cancellation Policies below). Your Statement of Intent to Register (SIR) fee of $250 does not apply towards Orientation fees.

**Billing and fee deadline by programs:**
- First-Year & Transfer Orientation sessions: Available on the August MyBill statement and due September 15th
- International & National Orientation sessions: Available on the October MyBill statement and due November 15th

Failure to pay Orientation fees by the billing deadlines will result in a hold on the student’s account and may block future course registration. If you have any questions or problems regarding Orientation reservation fees only, contact the Orientation Program office at (530) 752-4443. Do not call the Financial Aid or Student Accounting Offices.

The Orientation program is not subsidized by student tuition and fees. The cost of attendance covers all program materials, staffing, meals and refreshments, and overnight accommodations (if applicable).

WITHDRAWING ADMISSION & CANCELLING ORIENTATION RESERVATION

STUDENT WITHDRAWS ADMISSION:
If you formally withdraw your admission with the Office of Admissions after signing up for an Orientation session, you are responsible for cancelling your session to avoid being billed.

Cancelling before the cancellation deadline, there will be no charge.
Cancelling after your scheduled session, you are responsible for 100% of all Orientation fees.

Cancellations are subject to fees as stated in the Reservation Modification & Cancellation Policy above, depending on when the reservation is cancelled. You must contact the Orientation Program office (orientation@ucdavis.edu) in writing to cancel your reservation. Furthermore, your Orientation reservation is separate from your general Student Housing & Dining Services contract and separate from your Statement of Intent to Register (SIR). You must cancel each separately. Therefore, if you cancel your Student Housing & Dining Services contract, you must also cancel your Orientation reservation and vice versa.

If you attend an Orientation session, and later decide not to attend UC Davis, you will be billed for all Orientation fees for services provided, including those of Family Program participant(s), regardless of UC Davis student status in fall 2019. Your Statement of Intent to Register (SIR) fee of $250 does not apply towards Orientation fees.
UC DAVIS RESCINDS (CANCELS) ADMISSION:
If your admission was cancelled by the Office of Admissions after your orientation session, and you attend an Orientation session, you are responsible for 100% of the full Orientation fee regardless of your admission status in fall 2019.

EOP - The Educational Opportunity Program (EOP) is for low-income, first generation college students. Students applied for EOP and were determined eligible at the time of admission to UC. Only the First-Year student is eligible for the reduced Orientation fee; Family Program participant(s) are not eligible for the fee reduction and the full fee will be charged to the student's account. NOTE: If a student's status changes to EOP status before September 15, 2018, the orientation office will reduce the orientation program fee to the EOP First-Year student rate. NO REFUNDS or REDUCED RATES WILL BE PROVIDED TO STUDENTS AFTER SEPTEMBER 15, 2018 REGARDLESS OF EOP STATUS.

SCHEDULES - The student and family programs run at the same time, but are two separate programs. Transfer students and Family Program participant(s) must attend a session where advising for their major and college are offered. First-Year students and Family Program participant(s) must attend a session designated for the college to which the student was admitted at UC Davis. Overnight accommodations are not available for participants of the Transfer Orientation Program and International & National Orientation Family Program.

ORIENTATION CONDUCT POLICY
The Orientation Program strictly adheres to UC Davis campus policy, as well as all state and federal laws regarding alcohol and/or drug use. The use of alcohol and/or drugs during the program is not permitted. Participants who are in the presence of and/or consuming alcohol and/or drugs will be referred to the Office of Student Support & Judicial Affairs and/or the UC Davis Police Department. Failure to abide by this policy could result in being asked to leave the program without registering for classes and forfeiting all Orientation fees.

BREATHE FREE
To improve the health of the campus community and create a cleaner environment, UC Davis is a smoke and tobacco free campus. Smoke and tobacco free means that smoking, the use of smokeless tobacco products and the use of unregulated nicotine products ("e-cigarettes") are prohibited in indoor and outdoor spaces, such as parking lots and rental units on campus. The sale or advertising of tobacco products is prohibited in buildings owned or occupied by the university. This policy applies to all UC Davis facilities in Davis and at satellite locations. It applies to all faculty, staff, students, volunteers, contractors, visitors, and anyone entering onto University-controlled properties. It is applicable 24 hours a day, 7 days a week. This includes test-taking assistance for placement exams administered at Orientation and language interpretation/translation services (Orientation only offers interpreters for specific languages) for Family Program participant(s).

RIGHT TO PRIVACY
In accordance with the Family Educational Rights and Privacy Act of 1974 (FERPA), the Orientation Program protects the confidentiality of any student (age 18 or over) records. Access to a student’s Orientation records will be given to that student only, unless the student has given consent. See the Privacy Information on the Office of the University Registrar website.
